ABOUT

FIELD RECORDINGS.

FIELD RECORDINGS is winemaker **Andrew Jones'** personal catalog of the people and places he values most. Spending his days as a vine nursery employee planning and planting vineyards for farmers all over California, Andrew is sometimes offered small lots of their best fruit on the side.

Having stood in just about every vineyard on the **Central Coast**, he has a keen eye for diamonds in the rough: sites that are unknown or under-appreciated but hold **enormous untapped potential**. As friendships are made and opportunities are embraced, Andrew produces **small quantities of soulful wines** from these unusual, quiet vineyards.

**SUSTAINABLE • NO ADDITIVES • MINIMAL SULFUR
NATIVE YEAST • VEGAN • RECYCLABLE PACKAGING**
