

## Tasting Note: Mangels Vineyards Reserve Petite Sirah

Vintage: 2019

**Appearance:** The Mangels Vineyards Reserve Petite Sirah displays a deep, intense ruby color with hints of purple at the core. Its viscous texture clings to the glass, indicating a full-bodied wine.

**Aroma:** On the nose, this Petite Sirah reveals a captivating bouquet of blackberry preserves, ripe blueberries, and dark plum. Rich layers of dark chocolate, vanilla, and a subtle hint of toasted oak add complexity to the aromatic profile. There are also undertones of black pepper and a touch of dried herbs, contributing to its allure.

**Palate:** With a luscious and velvety mouthfeel, the Mangels Vineyards Reserve Petite Sirah coats the palate with an explosion of flavors. The primary fruit notes of blackberry and blueberry continue on the palate, accompanied by black cherry and boysenberry. The wine's full-bodied nature is balanced by well-integrated tannins and a moderate acidity, which provide structure and depth.

**Mid-palate to Finish:** As the wine develops on the mid-palate, layers of dark chocolate, espresso, and subtle vanilla from the oak aging emerge, enhancing the complexity. The wine's concentration and depth become more apparent, showcasing its ability to age gracefully. The finish is long and satisfying, leaving lingering notes of black fruit, cocoa, and a touch of spice.

**Overall:** The Mangels Vineyards Reserve Petite Sirah is an exceptional wine that showcases the true character of the Petite Sirah grape. Its intense fruit flavors, well-integrated tannins, and balanced acidity make it an enjoyable and age-worthy wine. Whether enjoyed now or cellared for a few years, this wine promises a memorable experience for those seeking a bold and sophisticated red wine.
