### OUR STORY

---

The Mill Keeper is inspired by Napa's first mill keepers of the mid 1800's, who laid the foundation for the producers of today. The hard work of these culturally diverse men and women and their dedication to the land transformed the Napa Valley into a thriving, prosperous community. The Mill Keeper Brand is an homage to their pioneering spirit and the Gamble Family's desire to bring the virtues of their dedication and the resulting agrarian bounty of Napa to consumers in the United States and globally.

Along with its continuing support of Napa's State Park, Bale Grist Mill, The Mill Keeper is a proud sponsor of the National Parks Conservation Association.
