

**Sonoma County Brut Perry**

Our 2019 Sonoma County *Brut Perry* was grown organically on a small family orchard in Western Sonoma County. We picked this blend of five different Asian Pear varieties on October 9th this last year, pressed off the juice into (only) *eight* old French Oak barrels, fermented and aged it for three and a half months before bottling and kegging unfiltered and unfiltered.

Our traditional-style *Brut Perry* is naturally gluten-free, comes in at 7.1% ABV, and is made from 100% Asian Pears. The Perry has notes of white flowers framed by candied ginger and baking spices, a rounded mouthfeel, and a crisp, dry finish.
